

The Leading Journal of the South.

THE PUBLISHERS OF THE CHARLESTON DAILY NEWS beg respectfully to return their thanks to the public for its liberal support to their Journal, and promise that in the future, as in the past, it shall be their aim to make THE DAILY NEWS the most desirable paper in the country. It has now the Largest Circulation of any Newspaper in the State, and is the Largest in Size of any Paper published in the State—issued in folio form of eight pages, and the size of the New York Herald.

It is universally conceded that THE CHARLESTON DAILY NEWS is the most enterprising, independent, and the best commercial newspaper published in the South. It is a Southern Paper with Southern principles.

A TRI-WEEKLY.
Many of our friends have spoken and written to us concerning the publication of a Tri-Weekly. We have thought of doing this for some time, but owing to the general disarrangement of postal affairs, we have concluded not to do so until the commencement of next season.

On the first of September we will commence to publish a country edition of the Tri-Weekly, and it shall be our aim to make the paper the best ever issued in this State. We intend introducing entirely new features in this enterprise, it will not be a summary of the daily, but will be complete and original in itself, and we are certain that its patrons will be as well pleased with it as are our present patrons pleased with the daily.

TERMS OF DAILY:

One year \$10.00
Six months 5.00
Three months 2.50
